

Changing your credit card data

You can only change your credit card when you *pay a new invoice* via the [Cleura Cloud Management Panel](#).

Prerequisites

You must be logged in to your [Cleura Cloud](#) account to switch credit cards.

Change credit card

Navigate to the Dashboard list in the left-hand menu and click on *Invoices*.

Now you will see your invoice specifications. Click on the *circle with three dots* beside the invoice you want to pay.

At the bottom, choose *\$ Pay this Invoice*.

 View PDF 

 Download PDF

 Copy PDF raw data

 Pay this Invoice

You will now see two payment methods. Click on *Card Payment (Debit/Credit)*.

\$ Invoice no : 

Specification		Choose payment method
data_transfer_discount	+ -1.89	 Checkout Using Your Registered Credit Card This is the fastest and easiest way to pay your invoice. The amount will be charged directly on your last used credit card. <i>Credit card number :</i> 
openstack_zone_4	+ 83.65	
Sum	81.76	
VAT	+ 20.44	
Total Sum	102.20 SEK	

Card Payment (Debit/Credit)
Swedbank AB is a Nordic-Baltic banking group based in Stockholm, Sweden. We will redirect you to the bank website where you can use your credit card to complete your purchase.

You are now redirected to the bank's website. Add your information that applies to your *new credit card* and click *Pay*.

Invoice Payment

Card number 

MM/YY

CVV 

Pay 

By pressing "Pay", I consent to and confirm that I have read [Cleura's terms and conditions](#).

Verified by VISA

PCI DSS

MasterCard SecureCode

 [Cancel payment](#)

Your *new credit card* is now valid in your **Cleura Cloud** account.
